how to transfer your previous pension rights into the local government pension scheme

WEST MIDLANDS

PENSION FUND

WHICH OF MY PREVIOUS PENSION RIGHTS CAN I TRANSFER?

If you have membership in any previous pension scheme or policy you may be able to transfer benefits over to the Local Government Pension Scheme (LGPS). If you do, a membership credit in the LGPS will be awarded, i.e. a period of membership equivalent in value to your previous pension rights.

(N.B. The period of membership credited in the LGPS may be different in length to the actual membership period in your previous scheme.

This is normally because the package of benefits offered by other schemes may be different, and often inferior, to the quality of LGPS benefits.)

The LGPS is normally able to accept transfer payments from:

- other LGPS funds
- any occupational pension scheme
- any AVC arrangement*
- a personal pension plan*
- a section 32 buy-out*
- a self-employed pension arrangement*

*please note that the 'policy' provider is likely to ask you (immediately before they will release any transfer payment) to return your original policy documents.

Please ensure you have these documents to hand and that they are kept in a safe place until they are required.

IMPORTANT

An option to transfer must be made within twelve months of joining the LGPS or such longer period as your employer allows. This is an employer discretion; you may wish to ask your employer what their policy is on this matter.

WHAT DO I DO NEXT IF I WISH TO TRANSFER MY PREVIOUS PENSION RIGHTS?

Please follow these instructions:

- 1) Complete **Part One** of this form now. Please do not complete Part Two - this is for the trustee/managers of your previous pension scheme to complete. (If you have more than one transfer you should photocopy the Transfer Value Request (Parts One and Two) as many times as required, i.e. complete a separate request for each transfer.)
- 2) Detach **Parts One & Two** (by tearing along the dotted line) and send them to the trustees/managers of your previous pension scheme without delay. If you do not have the address of the trustees/managers of your previous pension scheme you should be able to find this information by contacting either:
 - i) your former employer,
 - ii) the insurance company to which your personal pension plan etc. relates,
 - iii) the Occupational Pensions Regulatory Authority, who are responsible for the register of pension schemes.The address is: Occupational Pensions Regulatory Authority, Invicta House, Trafalgar Place, Brighton, BN1 4DW
Tel: (01273) 627600.
- 3) The trustees/managers of your pension scheme will normally send you full transfer value details within a few months. Please send this information, and any other correspondence received, to the **Pensions Administration Service at Wolverhampton City Council immediately (address shown below). You must not complete any transfer payment discharge forms at this stage - send everything to the Pensions Administration Service.**

N.B. If you do not receive the information you have requested within a few months you should contact your former scheme to establish the reason for the delay. The law now says that you are entitled to appropriate transfer value information (including whether or not a transfer is possible) within strict deadlines. These are your rights and you are encouraged to assert them so that your transfer is not unnecessarily delayed. Remember, if your transfer is not completed within 12 months your membership credit in the LGPS could be greatly reduced.

WHAT HAPPENS NEXT

When the **Pensions Administration Service** receive your Transfer Value details they will write to you, usually within two months, to advise you of the estimated Local Government Pension Scheme membership credit available from the transfer of your previous pension scheme rights. If there is likely to be any delay, e.g. because the transfer value information is not complete, you will be advised accordingly.

When you receive details of the estimated LGPS membership credit from the **Pensions Administration Service** you will normally be asked to decide whether or not you wish the transfer to proceed.
